Mr. Katta Balaji Babu
Chairman

“Academic excellence is achieved through regular, consistent and dedicated effort with a clear focus on goals. At VVIS, we develop in every child an innate love for learning and help them become life-long learners in their journey through life. We recognize the importance of a sound value system and its impact on a holistic growth of our students.”

Mrs. Prema B Shivalli
Principal

Schools and colleges have to be viewed as the light houses of society. We must agree that the fundamental changes can come in the society through education only. The quality of education in our college shall determine the quality of our surrounding society tomorrow. Our college provides an atmosphere for spiritual, mental and physical growth of the students. Being the principal of this college I take pride in stating that Vishwa Venkateshwara Degree College has been successful in providing quality education to students.

Mr. Prasad S
Vice Principal

The strength of the tree is mainly based on the roots. Stronger the tree more the branches and more the fruits, likewise; stronger the educator, more will be qualified students. I am very proud to say that our education system is very strong in producing promising and well qualified citizens.

About VV DEGREE COLLEGE

KBC PU College is in the surrounding territory with best results imparting education at the Pre University. It has raised to 1st step above by starting Vishwa Venkateshwara Degree College.

Vishwa Venkateshwara Degree College was established in the year 2020, with a view to provide quality education, to build and shape students for the competitive world. Our college is involved in various innovative programmes apart from teaching regular curriculum. These programmes have been carefully designed to provide students a clear edge in placement or further education. The college has excelled in all disciplines, curricular, extra-curricular and co-curricular activities.

Inspired Teaching and Learning

The faculty is distinguished by its dedication, enthusiasm and Commitment. The faculty is comprised of talented people many with advanced Degrees, who possess a deep knowledge of the subjects they teach and have a unique understanding of students and how they learn best.

Special Features

Our college offers an integrated learning approach to ensure that students sustain a healthy balance between academic and social development. Various activities are conducted in campus. These programmes include sports events, field trips and industrial visits, remedial and extra classes, guest lectures by resources persons, mentoring & counseling. As a part of the curriculum, students are monitored and mentored continuously. Inculcation of good practices, ethics, values, moral, motivation and personal grooming are the key objectives of a mentorship.

Distinguished Facilities

The college is well placed to serve varied needs of students. A well resourced library, CT Centre, conference hall, cafeteria, Wi-Fi Campus are some of the facilities available to students.

Sports & Activities

Our college provide facilities and encouragement for every sports activity that students find interest in VVD College. We have a sports team in Athletics, Badminton, Basketball, Cricket, Volleyball, Football.

Exceptional talents are given adequate encouragement to emerge as winning performers in their chosen sporting disciplines. This is illustrated by the number of students across VVD College who have represented at many levels.

Career Counselling

The career counselling provides unbiased services to get in to employment market. Later they are supported to plan and prepare for their future by developing suitable career related skills & Knowledge.

Workshop /Seminar/ Guest Lectures/ Industry Interface

Each semester there will be regular interface with industry facilitators and experts in the areas of Finance, Marketing, Human Resources, General Management, Entrepreneurship, Software, Bio Sciences etc. Latest trends including Crisis Management, Live Cases are a part of the programme.

As per the NEP, the structure and durations of University degree programmes are modified. The undergraduate degree is structured for either three or four years with multiple exit options and appropriate certifications. Students are eligible for obtaining a certificate after one year of study; a diploma is awarded after two years of study, and a Bachelor's degree is awarded after a three-year programme. Students can pursue a four-year multidisciplinary Bachelor's degree to gain exposure to the whole spectrum of holistic education while focusing on their chosen major and minor areas.

VV Degree College is following the current NEP system which focuses on promoting and building vocational / skill enhancement courses right from the school level, which can ease the burden on the employment opportunity and supply of proficient /talented work force.
